

Kansas: Gas Service

Natural Gas Rebate Program

Due: Until funds exhausted

Program budget: Unknown

**First come
First served**

Eligible projects:

Funding will be used to help with the purchase of, or conversion to, dedicated or bi-fueled natural gas vehicles (NGVs) and compressed natural gas fueling stations. The eligible rebate will be exclusively for NGVs tagged, titled and licensed by the Kansas Tax Commission for use on public streets and highways within Kansas. The purchase of new NGV must occur within 90 days of the applicant's request for a rebate.

Eligible applicants:

Individual Kansas residents, as well as commercial or industrial companies doing business in Kansas.

Funding cap per vehicle:

Per vehicle	\$3,000 rebate
-------------	----------------

General requirements:

- Signed application/rebate form
- Purchase contract, bill of sale, copy of application for Kansas Certificate of Title
- Copy of verification of liability insurance
- A copy of the current registration
