

Maryland: Port of Baltimore

Drayage Truck Replacement Program

Due: When Funds Exhausted
Program budget: \$213,124

Competitive

**Scrappage
required**

Eligible projects:

Funding for this solicitation must be used to replace 2013 model year or and older drayage trucks used to serve the Port of Baltimore.

Eligible applicants:

- Independent contractors and fleet owners with trucks registered in the State of Maryland.
- Owner-operators must currently provide drayage truck services to the Port of Baltimore.
- Proof of port service is required to participate in this program and can be established via a transportation Worker Identification Card (TWIC) and through the Maryland Port Administration's eModal or other transportation monitoring system.

Funding cap per vehicle:

Vehicle type	Funding
Class 8 (GVWR 33,001 lbs. and above)	\$35,000

General requirements:

- Truck engines must be between model year 1996-2006.
- Vehicle must be registered in the State of Maryland.
- Vehicle must have been owned for at least one year, verified by the date on the title.
- Old vehicle must be scrapped. Vehicle must be operational on the date that is scrapped.
- Clean Title.
